AFFIDAVIT

The Affiant P.O. [REDACTED] is a sworn member of the Detroit Police Department, currently assigned to the Major Violators Unit working in conjunction with a credible and reliable SOI #3003 regarding the sale of illegal narcotics from the above described location. Information from SOI #3003 has led to the seizure of narcotics, narcotics proceeds, narcotics paraphernalia and firearms. SOI#3003 has been used by the crew members of the Detroit Police Narcotics Division on at least 15 occasions, which resulted in at least 25 arrests for Violation of Controlled Substance Act and other related offenses. Affiant finds the S.O.I. to be credible and reliable.

On [REDACTED], Affiant met with SOI#3003 to formulate a plan to attempt to make a controlled purchase of Narcotics from the target location. The SOI was searched for money and drugs with none being found and issued a sum of U. S. currency with which to attempt to make the purchase. Affiant observed the SOI go directly to the target location, stay a short time, and then return directly to affiant. The SOI then turned over a quantity of suspected Marijuana, which the SOI Indicated was purchased from the above -described seller. The SOI was again searched for money and drugs with none being found.

Affiant conveyed the suspected Marijuana to the Narcotic Section where a preliminary test proved positive for the presence of Marijuana. Affiant then sealed the Marijuana into LSF#N02452511.

Drug traffickers commonly maintain address books and /or telephone numbers in books, papers, or electronic devices that reflect the Identity, addresses, pager number(s), email address, telephone numbers, or other identifying information for their criminal associates in the drug trafficking organization, even if said items are in code.

That drug traffickers take or cause to be taken photographs and/or videos of themselves, their associates, their drug proceeds or assets derived from the sale of controlled substances. That these traffickers usually maintain these photographs and or videos in their possession.

Affiant has observed this type activity on numerous prior occasions in the course of prior investigations. Executing search warrants based on similar activity in past investigations has led to the seizure of narcotics, firearms, currency and other indicia of narcotics trafficking from locations where the activity was seen. Wherefore, Affiant's experience combined with observations of the above-described activity gives Affiant probable cause to believe that the above-listed items will be found at the location and seeks to remove same.

The affiant has participated in over 100 narcotic raids, in the overwhelming majority of these raids illegal firearms were found, used to protect the seller's while conducting illegal narcotic sales and Affiant seeks to remove these weapons.

Wherefore, Affiant has probable cause to believe that the listed seller and items will be found at, 1 house south of 18496 Sussex located on the east side of the street Affiant seeks to remove the same.

On January 14, 2016, at approximately 13:05 hours, I, Sergeant [REDACTED], badge [REDACTED], assigned to Major Violators Section, was the officer in charge of executing a search warrant at 18488 Sussex. Upon arrival to this location, crew members announced presence and purpose without a response at which time forced entry was made through the front door at which time Officer [REDACTED] encountered a large Pit Bull Dog that charged towards him in an attempt to attack. Officer [REDACTED] then fired one shot from his department issued Benelli 12 gauge shot gun serial number M459008, striking the dog in the chest area. Officer [REDACTED] proceeded to clear the premises when the same dog charged at Officer [REDACTED] who fired 7- shots from his DPD S& .40 cal serial number HTU4687 fatally wounding the dog. Officer [REDACTED] then encountered a second dog in the bathroom that charged towards him at which point Officer [REDACTED] fired 3- shots from his DPD issued S&W .40 cal serial number DSV8878, Officer [REDACTED] then fired 1- shot from his DPD issued S&W .40 cal & Officer [REDACTED] fired 1- shot from his DPD issued S&W .40cal serial number DTV5131 fatally wounding the second dog. Officer [REDACTED] later encountered a third dog in the basement that charged towards him at which point he fired 5- shots from his DPD approved 12 Gauge shot gun serial number RSJ4852D fatally wounding the third dog. Sergeant [REDACTED] notified Animal Control at which point they responded to the scene and removed all three dogs from the premises. A canvass was not conducted because the incident occurred inside of the house. This incident was not captured on video because the Raid Van is not equipped with a camera and the Scout car has a non functioning camera. The following officers were present at the scene: [REDACTED] badge [REDACTED], [REDACTED] badge [REDACTED], [REDACTED] badge [REDACTED], all assigned to Major Violators Section.
